House Build Options

Royalston Lifestage incorporates classic contemporary architecture, designed for easy living. Your home, based on designs of approximately 170, 190 or 250 m², will flow onto open fields frequented by free-roaming wildlife, which wander amongst the village's trees and ponds.

Facilities

Residents will have use of all facilities available to the greater estate, however benefit further from additional offerings exclusively for the Lifestage.

Along with their resident clubhouse, medical facilities, commercial grade gym, there is a golf driving range, bunkers and putting green, sports fields, squash and tennis courts.

Residents are able to take game drives, walk and hike safely through the protected forest inhabited by 1 000 head of game, while being a 10-minute drive from Sardinia Bay beach.
