

## Seaview River Trail

**Distance:** 1.0km

**Difficulty:** 1/5

**Elevation:**

**Location:**

On Royalston Estate. Cross the bridge into Village 2. Find the cleared area to park alongside the two-track.

**Markers:**

Orange.

**Description:**

- You will find a cut path on the opposite side of the two track.
- Follow the cut path to the entrance of the forest.
- Enter the forest.
- The trail meanders alongside the river. In dry times this is a dry river bed.
- Along the way there is a clearing which is beautiful spot to sit at when the river is flowing.
- The trail will double back through the forest leading to a point where you will turn left (turning right will lead you back to near the beautiful spot next to the river).
- Follow the trail through the forest where you will exit the forest onto a two track.
- Follow the two track to an intersection with the main two track.
- Turn right down the two track and return to the parking spot.
